Technical drawing of the 'L' shaped base of the 'L' shaped table. The drawing shows a yellow 'L' shaped base on a white rectangular platform. Dimensions are provided in millimeters: total width 1250, total depth 850, base width 250, base depth 500, and various offsets and clearances.

A black, rectangular, open-top incubator. It features three front-loading drawers with clear viewing windows. On the left side, there is a control panel with two red indicator lights and a digital display. The top of the incubator is open, and the interior is white. The unit is supported by small feet.
